**Blood moon prophecy - Wikipedia** The blood moon prophecy was a series of apocalyptic beliefs promoted by Christian ministers John Hagee and Mark Biltz, which state that a tetrad (a series of four consecutive lunar eclipses coinciding on Jewish holidays with six full moons in between, and no intervening partial lunar eclipses) which began with the April 2014 lunar eclipse is a sign of the beginning of the end times as described in the Bible in the Book of Joel, Acts 2:20, and Revelation 6:12. **Four Blood Moons (2015) - IMDb** In the movie "Four Blood Moons," produced by Rick Eldridge and directed by the Academy Award Winner, Kieth Merrill; these veteran filmmakers illustrate this fascinating phenomenon in a very compelling docu-drama. **Four Blood Moons - Theatrical One Night Event** FOUR BLOOD MOONS is a theatrical one night event exploring a rare lunar phenomenon that over the centuries has accompanied both tragedy and triumph for the Jewish people. From Pastor John Hagee's New York Times best-selling book of the same name (750,000 copies in print from Worthy Publishing), FOUR BLOOD MOONS is in theaters March 23.

**Blood Moon - Total Lunar Eclipse - Time and Date** The term Blood Moon is also sometimes used to refer to four total lunar eclipses that happen in the span of two years, a phenomenon astronomers call a lunar tetrad. The eclipses in a tetrad occur about six months apart with at least five uneclipsed Full Moons between them. **Four Blood Moons | Endtime Ministries with Irvin Baxter** When four blood moons happen in close succession, NASA refers to this as a tetrad. Tetrads are rather rare, only taking place fifty-five times since 1 AD. **The Teaching of the 4 Blood Moons.** The teaching of the four blood moons has recently captivated the attention of the religious world. **Four Blood Moons: Something Is About to Change: John Hagee ...** I was somewhat disappointed with this book by Hagee. The majority of the book is not really spent discussing the four blood moons, but rather on a summation of end-time events and what is coming. Hagee would point out that you need that background to understand the significance of the four blood moons.

**Four Blood Moons, DVD - Christianbook.com** Only three times within the past 500 years have four blood moons---total lunar eclipses---occurred back-to-back on major Jewish holidays. What pivotal historical events took place during these celestial happenings?. **Blood Moons--Do They Fulfill Bible Prophecy ...** In case you have not yet heard about blood moons, here is what's going on. This past April 15, the first of four unusual lunar eclipses began. They will occur at approximately six-month intervals the next being October 8, then April 4 and September 28 of next year and will be visible across North America. **Four Blood Moons: Something Is About to Change by John ...** Four Blood Moons explains how each blood moon coincides with things that are happening in present time Israel and their troubles, which means, our troubles as Americans as well. This is a must read for anyone who needs understanding in the end times.

**Four Blood Moons Movie DVD - JHM** Four Blood Moons Movie DVD By John Hagee. It is rare that science, history and scripture align with each other, yet the last three series of Four Blood Moons have done exactly that.
