The Four-Dimensional Human: Ways of Being in the Digital ... You are a four-dimensional human. Each of us exists in three-dimensional, physical space. But, as a constellation of everyday digital phenomena rewires our lives, we are increasingly coaxed from the containment of our predigital selves into a wonderful and eerie fourth dimension, a world of ceaseless communication, instant information, and global connection. The Four-Dimensional Human by Laurence Scott review â€“ how ... The four-dimensional humans of the bookâ€™s title are our wired selves, compelled increasingly to inhabit an environment in which the old certainties of space and time are being disrupted by a global network that abolishes distance and privileges instantaneousness. The Four-Dimensional Human: Ways of Being in the Digital ... The Four-Dimensional Human invites us to think about how digitization has changed our lives. It's not a book about dooms-day warnings of how technology will ruin us, but rather, gently nudges us to think about what it means to be connected to the cloud at all times.
