Fracture - Official Site Fracture is a carbon-neutral company that is always on the lookout for innovative ways to protect our planet from the impact of waste and disposable products. From glass to production to packaging, we're committed to a small footprint. Fractured by Catherine McKenzie - Goodreads "Fractured" is the newest novel by author Catherine McKenzie, one of my favourite Canadian writers. In this novel, an accident happens on a quiet street in the middle of the day, and it leads all the residents to accuse each other and point fingers, blaming others and themselves.

GeoBlogy: FRACTURE CAPTURE! by Catherine Pennington Fractures and fracture networks are so complex and variable that this is a really tough and massive job, particularly because fracture data haven't been recorded systematically as part of our historic national mapping programme.
